

SOUTH HARRISON TOWNSHIP CLEAN COMMUNITIES NEWSLETTER

Clean Communities Program

The Gloucester County Clean Communities Program is made up of three very distinct, yet equally important aspects, which are: (1) litter pick-up and removal (2) environmental education and (3) enforcement. Mini Grants are available for non-profit groups and agencies to perform a one-day (three hour) clean up with at least fifteen people. The group must provide the township with proof of liability insurance and, if they have not chosen a township road to clean, one will be assigned to them. Safety vests, gloves, trash and recycling bags will be provided. If your group is interested please contact Nancy E. Kearns (769-3737) for an application.

Electronic "E-WASTE" Recycling Program

Beginning February 2017, **computers and televisions will be accepted by the Gloucester County Improvement Authority (GCIA)** located at 493 Monroeville Road in South Harrison Township between the hours of 8:30am - 2:30pm. Electronic items may be taken directly to the GCIA, the Public Works Department will not pick up as part of the white goods program.

Brush Chipping & Collection Service

South Harrison Township is having a brush, small trees & limb collection for chipping on site.

Scheduled for the week of April 10th - 14th , 2017.

Nothing can be more than 4" in diameter.

NO vegetative waste, vines or briars.

Items to be put at curb side by Monday, April 4th at 7:30 am.

Your brush pile must be neatly stacked. The length of brush is not an issue, but the pile cannot be more than 20 feet long and 4 feet high. The thickest part of the limbs must be toward the street.

NO EXCEPTIONS: If brush pile does not conform to these standards it will not be picked up. This service is to help the residents not hinder the employees. Please work with us to make this a safe and successful program. Thank you!

The Public Works Department will not service any street more than once.

BRUSH CHIPPING IS A TOWNSHIP SERVICE PROVIDED TWICE ANNUALLY - WATCH FOR FALL DATES.

COMMUNITY SHREDDING EVENT

Date: March 18, 2016

Time: 9:00am to 12:00pm

Where: Municipal Building parking lot

Contact Nancy E. Kearns, 856 / 769-3737 Ext. 110

- Bring your bags and/or boxes of paper to be shredded. An experienced operator from DocuVault Delaware Valley™ will move the bins to a highly secure, mobile shredding unit where your confidential material will be destroyed before your eyes.
- 100% of the shredded paper is recycled!
- Only paper is accepted. Please, no plastic bags or metal - including 3-ring binders and binder clips. Paper clips and staples are OK.

KEEPING OUR ROADS CLEAN & SAFE

Spring is on the way, and our friends and neighbors are going to be spending more time outside, the Township would like to remind residents to keep the streets and roads clean in our community.

Walking, jogging and biking are healthy activities that become unsafe and unpleasant when our roads are littered with trash and debris.

To report unsafe road conditions, contact the Public Works Department - 769-0363 and to report illegal dumping, contact the Police Department - 769-3737 x 111.

WASTE COLLECTION NEWS

Trash pick up is every Wednesday and recycling pick up is every other Wednesday. A calendar is available on South Harrison's website

Household trash does not include: Large appliances (white goods), building materials/debris. Container size cannot be larger than 32 gallons and cannot weigh over 50 pounds.

Red recycling containers are available to South Harrison Township residents and may be picked up at the Municipal Building.

White goods (large appliances) and **Scrap metal only** are picked up by the Public Works Department on the third Monday of each month. Please call 769-3737 ext. 119 with your address, phone number and item(s) to be picked up. You must call for this service. The PWD will put callers on a list and pick up items only from addresses on that list.

Vegetative Waste is not a part of the Township's contract and will not be picked up by the contractor or the PWD. Vegetative waste by State Statute is a recyclable resource and as such will not be accepted by the Gloucester County Landfill. Suggestions for our residents are to compost or check with nurseries and mulching businesses. For large trees and branches South Jersey Agriculture Products may be able to help you.

The Township Committee would like to remind the residents that the Township Contract is for residential trash pick up, not for business or commercial trash.

FOOD BANK

The First Baptist Church of Harrisonville offers a food distribution program on the fourth Tuesday of every month from 10:00 am until noon.

Household Special Waste Program

2017 Collection Days

Gloucester County Solid Waste Complex
Monroeville Road (Rt. 694)
South Harrison Township

FREE Rabies Clinic at Municipal Building Saturday
March 18th from
10:00am to 12:00pm

WHAT IS STORMWATER POLLUTION?

Water from rain and melting snow that flows over lawns, parking lots and streets is known as stormwater runoff. This water, which travels along gutters, into catch basins and through storm drain pipes and ditches, usually is not treated, but then flows or is discharged into local waterbodies. Along the way, the stormwater picks up trash (fast-food wrappers, cigarette butts, styrofoam cups, etc.) and toxins and other pollutants (gas, motor oil, antifreeze, fertilizers, pesticides and pet droppings). This polluted stormwater can kill fish and other wildlife, destroy wildlife habitat, contaminate drinking water sources and force the closing of beaches because of health threats to swimmers.

Human activity is largely responsible for the stormwater pollution. Everything that we put on the ground or into the storm drain can end up in our water. Each of us has a responsibility to make sure these contaminants stay out of our water. Whether we have clean water is up to you.

For more information please visit the NJ DEP website: www.nj.gov/dep/stormwater

Recreation Events

Meetings are held on the third Thursday of each month at the Township Municipal Building.
Contact Betty Davison @ 856-434-4150

February, 2017

Dear Resident:

In conjunction with the Gloucester County Board of Chosen Freeholders & The County Improvement Authority, I am pleased to inform you that once again we have permission to use the convenience center at the Gloucester County Landfill.

Attached to this letter are four (4) coupons for your personal use at the Gloucester County Convenience Center. Each coupon will be good for one (1) free trip in a pick up truck or small trailer with a gross vehicle weight of 9,000 pounds or less. Please note these coupons have an expiration date and if lost cannot be replaced. When using your coupon you will need identification that shows you are a resident of South Harrison Township. Please do not confuse these coupons with the Gloucester County Household Special Waste Collection Schedule. This schedule is available at the municipal building.

Please note that the coupons are for your personal use and are not intended for commercial/business debris. As we hope this practice will continue from year to year, this will only work if the system is not abused.

The Township Committee will also continue its Spring and Fall Chipping Program administered through the Public Works Department. The dates for the Spring Program are April 10 - 14, 2017 please see back cover of this newsletter for more information. Fall Program dates to be determined. Please call the Municipal Building for more information.

I, along with the rest of the Committee, have every faith that you, the resident, will use these programs in the spirit intended. If I can assist you in any matter please feel free to contact me at jmccall@southharrison-nj.org.

Sincerely your neighbor,

A handwritten signature in black ink that reads "J McCall".

James McCall, Mayor
South Harrison Township
