- **Family night 11/2**
- **Coaches & Assistants Welcome**

Wrestling gives kids an opportunity to develop self-confidence, discipline and teamwork along with their friends. It is also very challenging and requires hard work and commitment. Seeing our kids develop the confidence to walk out onto a mat alone & wrestle a match is our greatest satisfaction. Win or lose, that's our goal !!!

“Once you’ve wrestled everything else in life is easy” Dan Gable
